Comprehensive Orthodontic Treatment

From Curtis Orthodontics, PC

Full orthodontic treatment (braces) for youth or adult, including:

Treatment Consultation
Diagnostic Records
Case Presentation using State-of-the-art Technology
Orthodontic Treatment with Clear or Traditional Braces
Daytime and Nighttime Retainers
After Care including Retainer Adjustments

Value: \$5400

Stipulations:

- Patient must qualify for orthodontic treatment, with a healthy periodontal status and no factors that would otherwise contraindicate a typical orthodontic plan. Patient should continue to see his/her family dentist for cleanings, check-ups, and general dental needs.
- Additional dentistry required for treatment (that is outside the range of procedures carried out by an orthodontist) will be at the patient's expense, such as extraction of teeth (if necessary), gingival grafting, or orthognathic surgery.
- If the patient does not qualify, the certificate may be transferred to another patient, either by the owner of the certificate or by our office, in order to reimburse the winning bid to the winning bidder. In any case the winning bid will be transferred by Curtis Orthodontics to the Boys Club when the certificate is redeemed for treatment by the current holder.
- The winning bidder may finance his/her bid through a number of providers used by our office. If the winning bidder cannot procure financing for the bid, he/she may transfer the certificate in the manner above.
- If the total cost of treatment is less than the winning bid, either due to insurance coverage or a more limited orthodontic plan, the difference between the actual cost and the winning bid will be reimbursed to the winning bidder.
- Curtis Orthodontics retains the right to refuse treatment for the winner if it is deemed necessary to do so, and to reimburse the winning bid to the winner instead.
- This certificate is good for a period of five years, but payment arrangements should be made in a timely fashion to benefit the Boys Club.
