Quirky Quesadillas for Halloween

(makes 4)

Ingredients:

- 8-inch flour tortillas
 - 8 slices of sharp cheddar or Colby pepper jack cheese
1. Lay out 4 tortillas on a cutting board. Using a small knife cut out a jack o lantern face in each.
 2. Onto a large baking tray place 4 whole tortillas and top with the sliced cheese, breaking up any slices to make it cover the entire surface of each tortilla. Top with the jack o lantern tortilla and bake for about 8 minutes, or until the tortillas start to toast and the cheese has melted. Let cool slightly and serve warm.

Variation: Use spinach tortillas for a Frankenstein face
